# CANDIDATE PETITION PROCESS

# Overview

---

A person seeking to qualify for nomination to any office may be eligible to qualify to have his or her name placed on the ballot by means of the petition process. A person who obtains the required number of signatures is not required to pay the qualifying fee or party assessment.

## FORMS:

Except for candidates for special district offices, **Form DS-DE 9**, Appointment of Campaign Treasurer and Designation of Campaign Depository, must be on file with the filing officer prior to collecting signatures. A candidate may begin collecting signatures as soon as Form DS-DE 9 is on file with the filing officer. Petitions signed prior to the date the DS-DE 9 is filed with the filing officer are not valid. Signatures are valid only for the next qualifying period for the office.

Candidates are required to use **Form DS-DE 104 (Rev. 10-07)**, Candidate Petition, to obtain signatures of registered voters. Form DS-DE 104 may be reduced or enlarged, but the format must remain the same. The form is available on the Division's website. Candidates are responsible for reproducing the petition. Petitions on previous versions of Form DS-DE 104 are not valid if signed after July 1, 2008. See Rule 1S-2.045, Fla. Admin. Code, for further information regarding candidate petitions.

## SIGNATURES:

Except for candidates for special district offices, candidates must obtain the signatures of at least 1% of the total number of registered voters of the geographical area of candidacy, as shown by the compilation by the Department of State for the last preceding general election.

Special district candidates must obtain the signatures of 25 registered voters in the geographical area represented by the office sought.

Signed petition cards are turned in for verification to the Supervisor of Elections in the county in which the voter is registered. The deadline for submitting candidate petitions to the Supervisors of Elections is as follows:

Noon, March 29, 2010	Judicial, state attorney, and public defender candidates
Noon, May 17, 2010	State, District, and multi-county candidates

## **FEES:**

There is a fee of 10 cents per signature to be paid to the supervisor of elections for the cost of verifying the signature. If the candidate cannot pay this fee without imposing an undue burden on the candidate's resources, the candidate may file an Oath of Undue Burden (see page 8) with the supervisor of elections to have the fee waived.

## **CERTIFICATION TO THE DIVISION OF ELECTIONS:**

The supervisors of elections must certify verified petitions to the Department of State, Division of Elections by:

April 19, 2010	Judicial, state attorney, and public defender candidates
June 7, 2010	State, District, and multi-county candidates

The Division of Elections will determine whether the required number of signatures has been obtained in order for the name of the candidate to be placed on the ballot and will notify the candidate.

To check the number of signatures certified to the Division, search for their name on the Candidate Listing for 2010 General Election at this web address:

<http://election.dos.state.fl.us/candidate/canlist.asp>

At the bottom of the candidate page, click on "Petition Signatures." This will provide the total required signatures, total verified, and the last date petitions were verified to the Division.
